

PERI CONSTRUCTION CHEMICALS

From Pour to Protection. The Right Chemistry for Every Stage.

PERI Construction Chemicals deliver dependable performance across every stage of concrete work, from formwork release and curing to repair and waterproofing. Engineered for precision, ease of use, and lasting protection.

Formwork and Surface Preparation Chemicals

PERI's formwork and surface preparation range ensures that every pour starts with precision and ends with a smooth, consistent finish. These products include high-quality release agents, curing compounds, bonding aids, and surface cleaners designed to improve concrete quality and extend the life of formwork systems. Each formulation provides reliable demoulding, even coverage, and reduced maintenance time on site.

| Product | Article Code | Weight / Size | Qty / Packaging |
|--------------------------|-----------------|---------------|-----------------|
| Grip Cure Acrylic | 232315 | 25 L | 1 |
| Shutter Strip R100 (F1) | 232214 | 25 L | 1 |
| Shutter Strip 124 | 232128 | 25 L | 1 |
| Mortar Remover | 232327 | 5 L | 1 |
| Grip Bond (20 L and 5 L) | 232371 / 232348 | 20 L / 5 L | 1 each |
| Grip Key for Plaster | 232313 | 20 L | 1 |
| Xcelcon Liquid | 232326 | 5 L | 1 |

Product Range

Concrete Repair, Grout, and Anchoring Chemicals

This portfolio provides versatile solutions for repairing, bonding, and reinforcing concrete structures. It covers polymer-modified mortars, precision grouts, and epoxy-based adhesives formulated to restore strength and durability while maintaining structural integrity. From small-area patching to large-scale anchoring and load-bearing applications, these products deliver dependable performance and long-term resilience.

| Product | Article Code | Weight / Size | Qty / Packaging |
|---------------------|--------------|----------------|-----------------|
| Grip Repair 1011 FC | 232308 | 20 kg | 1 |
| Grip Repair 1010 | 232307 | 20 kg | 1 |
| Grip Repair 10 FR-N | 232309 | 20 kg | 1 |
| Grip Grout GP | 232310 | 25 kg | 1 |
| Grip Grout BG | 232311 | 25 kg | 1 |
| Grip Epoxy 116 | 232013 | 2 L (two part) | 1 |
| Grip Epoxy 107N | 232317 | 2 L (two part) | 1 |
| Grip Epoxy 109 | 232318 | 2 L (two part) | 1 |
| Grip Anchor 207 ULV | 232319 | 1 L (two part) | 1 |

Waterproofing and Protective Chemicals

PERI's waterproofing and protection range is designed to keep concrete and masonry structures safe from water ingress, chemical exposure, and surface deterioration. Featuring coatings, crack fillers, liquid membranes, and additive admixtures, these systems create flexible, long-lasting barriers against moisture and damage. They are easy to apply, fast curing, and suitable for both new construction and refurbishment projects.

| Product | Article Code | Weight / Size | Qty / Packaging |
|---------------------------------|--------------|---------------|-----------------|
| Waterproofing Liquid DP80 | 232323 | 5 L | 1 |
| Masonry Waterproofing DP30 | 232321 | 5 kg | 1 |
| Waterproof Multi Coat DP40 | — | 2 kg | 1 |
| Waterproof Cement Additive DP60 | 232322 | 2 kg | 1 |
| Waterproof Crack Filler DP50 | 232324 | 2 kg | 1 |
| Flex-E-Guard 501 | 232325 | 15 kg | 1 |
